

Welcome Melanie Horvath – Financial Controller

Melanie Horvath is a resident of Wexford; married to her husband Daniel of 14 years. They have 3 children; Eva (10), Joseph (7), and Julia (3). Melanie graduated from Thiel College with a dual degree in Accounting and Business Administration in May of 2006. She began her professional experience at a CPA firm and then moved into financial management in higher education at both Carnegie Mellon and Duquesne University over

the past decade. She specializes in fund management, creating and managing processes, human resources, and budget management. She has spent the last year managing her own home-based business while taking care of her parents and young children.

In her free time, she enjoys taking her children to the park, going on walks or bike rides, traveling with her family, and snuggling with her cats while watching Netflix! Melanie is very excited to meet everyone and to serve the First Presbyterian Church community through her work.
