**January 28, 2021**

**Dear St. Clare of Montefalco Families,**

Inquiries are arriving around Winter Break Travel. We are requiring COVID-19 protocols to be put in place.

**Option 1:** Students who travel by car and are simply moving from home to one other location with no big group contact may return to school immediately following break.

**Option 2:** Students must stay home for 10 days in quarantine if traveling by plane and/or participating in large group activities. If no symptoms are displayed, the student may return on the 11<sup>th</sup> day. Alternatively, students may take a delayed PCR COVID-19 test when they return home. If the test is negative, students may return to school after receiving the negative results. Negative results must be shared with the office, and rapid test results will not be accepted.

**Option 3:** A visitor stays with you at your home. If the visitor quarantines and takes a COVID-19 test which is negative before arriving, your child may return immediately at the end of break.

**Peace and safe health wished to you all,  
Ms. Crowley
