Triangle Insight Meditation Community, Durham, NC

January 06, 2021: Ron Vereen

On this day of attempted insurrection at the US Capitol building in Washington, DC, the Wednesday Sangha meeting on Zoom gathered for an impromptu sharing of personal and collective response to the events of the day. Ron set aside his notes for a Dharma talk and “shared what my response had been to what had just unfolded in the hours prior to our meeting.” Then he gently guided the group through a meditation period, open discussion, small group sharing, and another open period for reflection at the end.
