

Remembering Conner, Always and Forever

August 16th, 2006 - April 5, 2018

1. Print off the sign

Page 2 of this PDF or pick one up at the Oak Ridge Elementary or Summit Church (Oak Ridge) office.

2. Pick a location, cause, or activity

Select a meaningful or beloved place for Conner, Casey and/or Bryan. Maybe you have a special memory of him at a location – go there! Choose from the list of ideas below, or come up with your own.

Oak Ridge Elementary
Beacon Place / Kids Path
Greensboro or Local EMS / Fire Stations
Oak Ridge Youth Association
Ronald McDonald House
Brenner's Children's Oncology Dept (9th floor)
Kids of Childhood Cancer
MIB Agents

SPCA of Greensboro
Any Local Animal Shelter
Oak Ridge Bark Park (Conner's bench)
Greensboro Science Center
St. Baldrick's
Boxcar Arcade - Greensboro
Gilbarco Veeder-Root (Bryan's work)
NC Zoo

3. Share some love!

This can be as elaborate or simple as you want. It doesn't even have to cost anything!

Buy a gift card
Make a monetary donation
Take snacks, drinks, or goodies
Put together a gift basket for employees
Build a Lego tower with your kids
Watch a Star Wars movie

Donate food to an animal shelter
Find out what supplies an organization needs
Make / take a meal
Take a bouquet of flowers
Write a thank-you card
Visit Conner's bench at the Oak Ridge Bark Park
Launch a green balloon

Note: If you're unfamiliar with an organization, be sure to contact them FIRST, to see what they need and will accept (i.e. Ronald McDonald House cannot accept used toys or meals prepared outside their facility, due to health risks, etc).

4. Take a picture!

Take a picture at your location, with your sign. Snap a pic of you/family doing an activity, a selfie by the organization's sign, or of the employees and the gifts you've given in his memory, etc. Anything while remembering Conner.

Do this on (or BEFORE!) April 5th and upload your picture to <https://tinyurl.com/rememberconner>. You can also upload pictures to Social Media and tag #BecauseOfConner.

Let's share pictures with Casey and Bryan all week and all day on April 5th (the 1st anniversary of Conner's passing), to show how we're remembering him, and how his life is still impacting people all over the country!

We are remembering

CONNOR
