

Oak Ridge Book Swap

The PTO is excited to announce:

Book Turn-In Dates: May 13th – May 21st

- **What exactly is a book swap?** A book swap is an opportunity for every child to trade in a used book from home for another gently used book.
- Collection bins will be placed in the main hall, labeled by grade level.
- Please have your child bring a book (or books) that they have your permission to donate to trade in for a “new to them” book.
- Books should be from your student’s READING LEVEL or very close to it (please don’t send in your 5th grader’s kindergarten books). We want them to swap a book they have read recently for a new book in their reading level.
- Each class will have a specified time to Book Swap on May 22 or May 23.
- All students will be encouraged to participate and select one book to take home even if they did not bring one to trade. If your child donates 5 books, they will still only choose 1 book. This ensures all students receive a book. Extra books will be saved for future swaps or donated.
- Please discuss the book swap with your child to ensure they are aware their book will not be returned. (Please DO NOT donate library books to swap.)
- Donated books will be checked by volunteers for appropriate content and sorted according to grade level before distribution at Book Swap.
