Great St. Joseph,

God chose you head of the holiest family ever to live on Earth. Watch over us and extend your protection to St. Joseph's school. Obtain for all members of the St. Joseph's family the grace to serve the needs of others and live close to the Lord. May we remain united in the ties of the Christian Love and Share the peace that Jesus promises his disciples. Grant that we may work together and love one another, in order to fulfill our roles in the larger family of the Church and this country. Amen.
