

IXL Math

This summer, students will not have a workbook, teacher assigned skills in the IXL program.

To log in to

IXL, use the portal:

Sign in

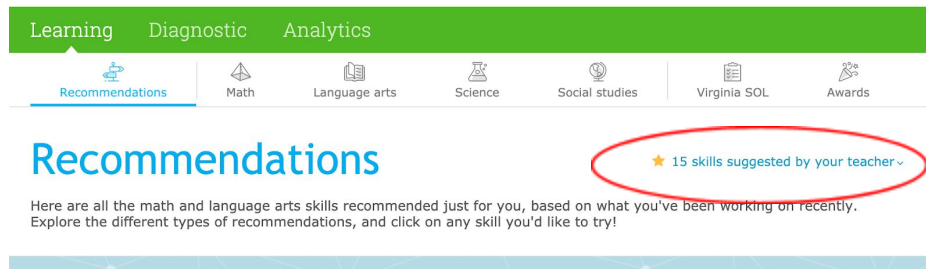

<https://www.ixl.com/signin/stjosephherndon>

Click the

Use your Google Login SJS Username and Password.

Once logged in, look for the suggested skills by your teacher (see circle below).

Practice the teacher assigned IXL math skills to a SmartScore of 85. Students should practice for about 15 - 20 minutes, 3 times per week.

If students complete the assigned teacher skills, he/she is welcome to challenge himself/herself with other math skills.
