

RCIA Support

While gathered sessions and the celebration of rites is currently suspended in our diocese, we continue to walk with the Elect on their journey to the sacraments. Now is the perfect opportunity for sponsors to reach out in spiritual support and to share with the Elect the many faith tools we have beyond the celebration of the Mass. This support can be made through phone calls, texts, emails and virtual meetings. Items to share would be Stations of the Cross for personal prayer, websites that link them to daily and Sunday readings along with commentary and questions for reflection, the Loyola [3 Minute Retreat](#) video, or other favorite prayer tools of the sponsor. Keep in mind that the Elect are not always "registered" in the parish and are not necessarily receiving the same information from the parish or diocese that is being sent to other Catholics, so include them in updates. Primarily, assure them that although celebrations may be delayed, they will occur and will be a joyful time for the whole community as we gather together again as the Body of Christ.

Here are links for Stations of the Cross:
