

Fellowship Minutes

March 4, 2021

Present: Carol Ewers, Jill Khol, Judy Kletzien, Kathy Robinson, Jimmy and Julie Wallace

Absent: The Shanleys, Marilyn Sorrick

We had a very brief meeting to touch base and update a few items.

Kintsugi Art Project

It was suggested that Pastor Amy could mention it during the service so that more people would be reminded to bring their shards to add to the vase.

Julie reported that Kim Redman had found the board had blown over (not all the way) and she and Matt had put it back in place. The board had originally been placed at angle to the left of the office doors and was quite solid and mostly out of the weather. We asked Judy to thank Ralph who had brought clamps to secure the outer protective vinyl.

Julie showed everyone the gold glue that will be used on the board to finalize it the day before Easter.

Easter Egg Hunt

It is a no-go this year. Even though the Covid Team had given it their blessing, the parents went with the option to have porch scavenger hunts at their homes.

Pastor Kim is on board to have a big Easter bash next year, with a hunt, egg dying and possibly a brunch. She would like to involve the UYF, as well.

Founders' Day

The date will be June 13, not the 20th as we had thought originally. Worship and Arts decided the 13th is better as it does not interfere with Father's Day.

We talked about the possibility of covering candy bars with a graphic of our church as a gift for the Founders, guessing we could do that for about \$1.50 a piece.

As of now, we don't know if we will be meeting in person at that time.

The Pine Tree

We didn't get an update on the misshapen pine tree we used as our outdoor Christmas tree as Patti S. wasn't at our meeting. She may be able to get someone from Davey Tree give us an estimate on reshaping it.

We didn't put the date of our next meeting on the calendar but we will find an agreeable time for the month of April.

Respectfully Submitted,
Julie Wallace
