

Thriller Rehearsals:

- The classes listed will be learning choreography to Thriller during their class time. Any other dancers who have class at this time are welcome to join in with the rehearsal or attend their regular class.
- All Thriller Rehearsals are completely open to anyone age seven and older who would like to have fun and/or join us for our outdoor performance on Halloween. Siblings, friends, and parents are welcome!
- These classes will meet outside if weather permits, and each dancer will be socially distanced in their own parking space.
- In the case of inclement weather, classes will meet in their regular studio and we will send a link to all registered DCM families to join us on zoom.
