Meet the Buyers Central Oregon

Hosted by: Government Contract Assistance Program and Oregon Small Business Development Center

Federal, state, and local government agencies spend millions of dollars every year purchasing goods and services from the private sector. Small business owners are sometimes reluctant to tap into this lucrative market because it seems

too complex. This free session will introduce participants to the local government purchasing activities and their processes.

Objectives:

- Meet the buyers from Federal, State and Local government offices in Central Oregon
- Find out **how** they buy, **what** are their purchasing thresholds and processes
- Learn **what** they buy
- Learn **how** GCAP can assist with government purchases
