SAM and DSBS

Attend this meeting to find out how to register in —SAM and DSBS. We will cover all of the important details of both databases

What is SAM and why do you need to register?

The System for Award Management—SAM is the official free, government-operated website —there is NO charge to register or maintain your entity registration record in SAM. You register your entity to do business with the U.S. Federal government by completing the registration process in SAM.

But, where do you start and how do

you make sure you answer the questions correctly and keep your SAM up to date?

Also, what is The Dynamic Small Business Search—DSBS and how, where and why do you register?

This FREE training will answer these and other questions

Who is GCAP?

GCAP is Oregon's Procurement Technical Assistance Center (PTAC). GCAP has 30 years of success providing assistance services to Oregon businesses, including training and

counseling in marketing goods and services to federal, state, and local government agencies. GCAP provides support to new, growing, and well-established businesses

pursuing government contracting. Whether you are experienced or just starting out, GCAP is available to assist you and your business... for free!

This Procurement Technical Assistance Center (PTAC) is funded in part through a cooperative agreement with the Defense Logistics Agency (DLA)
