

What if my premium went up, my coverage changed, or I don't like the plan I'm being offered?

You can enroll in a different plan. Starting November 1, [log into your Marketplace account](#), and update your 2024 application. Then, review and pick a plan for your 2024 coverage. [Learn more about how to report changes.](#)

If you don't enroll in a new plan by December 15, you may be automatically enrolled in or matched with a 2024 plan. That way, you won't have a gap in your health coverage. If you don't pay the first premium, the plan won't start.

If you're automatically enrolled and your coverage started, you can still change plans until January 15. [Learn about your choices if you're automatically enrolled.](#)
