**RELEASE  
DATE:** March 30, 2025

### Road Closure Planned for Boggs Mountain Demonstration State Forest

Beginning April 1st, road access to Boggs Mountain Demonstration State Forest will be closed to facilitate essential road improvements. It is anticipated to reopen on May 1st, 2025. The project will focus on restoring roadside drainage and grading the road surfaces, aiming to enhance environmental conditions and improve emergency access that has been impacted by winter weather.

During this period, vehicle access will be limited to the main parking area below the heliport. For safety reasons, visitors are advised to avoid areas with heavy equipment while work is underway.

We apologize for any inconvenience this may cause and appreciate your understanding as we complete these necessary upgrades. For more information, please contact the forest office at (707) 928-4378.
