H&S Fundraising Goal: \$100,000

The Home & School (H&S) Association raises funds for HNPS that directly support the school's mission to educate our students; it helps the school to meet its operating costs, keep tuition as low as possible, and make improvements in the school.

We will hold 5 hybrid meetings in the School Library and on Zoom. Meeting last 1 hour. We look forward to seeing you at events throughout the year!
