WISC Association
WOMEN IN SUPPLY CHAIN

2021 WISC Calendar of Events

2021 Focus – *Tech, Tests, and Triumphs*

*How **Tech** helped or hindered us in 2020, what we need to prepare for in 2021 and forward, why it is critical that we all embrace technology.*

*The life and career **Tests** that came from 2020, how we will take these lessons into 2021, and what changes we will make as a result.*

*Our **Triumphs** from 2021 and how they will make 2021 more successful, how they defined our careers and the industry, and why we must cheer on women in all their successes.*

We want to address how women and marginalized communities, especially due to COVID-19, face unreasonable barriers and obstacles – how many leaders have taken steps and created initiatives to overcome these challenges, and how we must all work together to encourage and support our peers for success in supply chain, and for supply chain.

Introduce Women in Supply Chain (WISC) Association Supporters who have made an impact, how they can share their story to encourage others, what needs to change, what is being and still needs to be done.

The WISC Association has recognized that to create events for the greatest success and impact, was to re-evaluate the quality of the events over the quantity of events. Each event with focus on the overall 2021 theme initiative.

Events WISC will be Hosting for 2021

Beginning in February 2021

Monday Motivator

Held the first Monday morning of each month. A motivational topic will be set each month that gives the participants something to work towards. The morning will consist of having coffee conversations around how the previous month went, and how we see the coming month going. This event is an opportunity to share successes, challenges, and support.

Series Begins in March 2021

Tuesday Tech

A mid-day – around lunch hour – event hosted once per quarter on the second Tuesday of the month. These are short presentations around new technology, embracing technology, future of technology – focusing on what is being discussed in supply chain – followed by discussion.

From these discussions we will gather feedback on what topics attendees would like to learn about, and bring these topics forward for the WISC Conference.

WISC Association
WOMEN IN SUPPLY CHAIN

2021 WISC Calendar of Events

Beginning January 13, 2020

WISC and Wine

A casual event focusing on networking. We invite attendees to join us for conversations over a glass of wine, or cocktail, while we listen to a presenter on an important topics facing our careers and/or industry.

Beginning January 21, 2020

Dinner by Demand

Hosted on the third Thursday of the month. These will have key presenters who will focus on the WISC 2021 theme. Presenters will share how they have created their journey, how they see supply chain in the industry they are in (agriculture, trucking, procurement, warehouse, manufacturing, technology, etc.).

Conference

First Annual WISC Conference

June 16, 17, and 18, 2021

June 16 (evening) - WISC and Wine Welcome Event

June 17 (full day) and 18 (half day) - Conference

June 17 (evening) - Dinner by Demand Event

June 18 - Closing Lunch with a speaker and networking

We will be taking July and August off from hosting large events but will continue to engage and identify what is demanded by WISC Supporters.

Below is the 2021 Calendar of Events to give an idea of our current initiatives. We are confident with the dates to the end of June. However, depending on the state of affairs, we may adjust the event dates for the remainder of the year.
