### **Workshop Summary**

A recent study by George Mason University painted a bleak picture of selling in the senior living industry. However, new research has examined a new approach to selling that is both easy to implement and has been proven to be highly effective. Using actual case studies, real-world senior living-based stories, and illustrative exercises, this presentation is designed to introduce the participant to this completely new way of selling within our wonderful industry. In addition, this session will be highly interactive and also a great deal of fun!

### **Target Audience & Prerequisites**
