DEPARTMENT

Cell Phone Safety

- Criminals want to steal your cell phone and gain access to your financial apps
- Always lock or log out of your phone and apps
- Limit your cell phone use in and around bars and night clubs
- Never hand your phone to a stranger
- Never text and walk
- Stay together and use the “buddy system”
- Always be aware of your surroundings

Remember, if you have an emergency, or there is a crime in progress, dial 9-1-1 immediately. Timely calls can help solve a crime!
