

# **April 2021 Staffing News**

## **A Familiar Face Has Returned**

We are so excited to welcome Jon Hoffman back to Habitat for Humanity Lakeside as our Construction Manager. Jon previously served the organization as the Construction Manager and Executive Director from 2014-2018. During his first month back he's been welcomed by volunteers and staff and has been leading crews of volunteers out at our Plymouth Home Build. Welcome back to the Habitat Family, Jon!

## **Young Professional of the Year Nominee**

Habitat Lakeside's Emily Fread has been nominated for Young Professional of the Year through the Sheboygan County Chamber of Commerce. Emily was hired by Habitat in 2018 as the Volunteer Manager and was promoted to Development Director in 2020. Emily is dedicated to the mission of Habitat and to the Sheboygan County community and we are so proud of her for being nominated for this award!

## **We are Hiring!**

Our Construction Team at Habitat for Humanity Lakeside is expanding. For the first time in our history, we are looking to add a part-time Site Supervisor role to our team. This individual will lead workdays with volunteers on our new construction and home repair sites and will typically work 8-24 hours per week. As we continue to grow, we envision this role will eventually turn into a full-time position. Please help us spread the word on this opportunity to join the Habitat team. A full job description and more details on how to apply are available on our website at [www.habitatlakeside.com/career-opportunities](http://www.habitatlakeside.com/career-opportunities).
