

Sheboygan County Safe Restart Benchmark Criteria Weekly Update

Updated Weekly on Fridays - June 13, 2020 Update

June 13, 2020 8:00 AM

Sheboygan County Benchmark Criteria

Indicator	Metric	Status
Cases	Downward trajectory of positive cases of COVID-19 as a percentage of total tests in Wisconsin	●
Testing	Testing availability for all residents with COVID-19 like symptoms, with priority toward vulnerable populations	●
Care	Hospitals have ability to treat all patients requiring hospitalization without resorting to crisis standards	●
PPE	Adequate PPE available to health care personnel	●
Tracing	Every resident who tests positive for COVID-19 is interviewed within 24 hours of test results, COVID-19 positive contacts are interviewed within 48 hours of test results	●

Excellent

Proceed with Caution

Of Concern

How this information affects mask-wearing in our ReStore?

- Employees are always required to wear masks
- Customers will be required to wear masks if the "cases" metric on the Sheboygan County Safe Restart Benchmark Dashboard is coded yellow or red
- Customers will be strongly encouraged to wear masks if the "cases" metric on the dashboard is coded green

This decision was made with the safety of customers, staff and volunteers.
