

Connect Clients With ***Direct Referrals***

**CalFresh Enrollment Services
are available over the phone!**

**Use Community Information
Exchange® (CIE) to send electronic
referrals directly to 211 San Diego!**

When you use Direct Referrals to
connect clients to our services, we follow
up so that they don't have to!

**Through the CalFresh referral, we follow up within
three business days and educate clients about
CalFresh, complete their entire application over
the phone, and submit on their behalf.**

How It Works

1. Login to CIE
2. Lookup your Client's Record
3. Select **CalFresh Enrollment Services**
4. Select "Direct Referral" and Send!

**CalFresh (also
known as SNAP or
EBT) helps older
adults afford
healthy food each
month!**
