

MARTINE DUPHREZIN-SURENA, RA, AIA, LEED AP BD+C
Managing Principal/Senior Project Manager – RCGA+DM Architects

Ms. Duphrezin-Surena is a Registered Licensed Architect and **LEED** Certified.
She has over 35 years of experience in design and construction development, with a main concentration in the Aviation Terminal Building Industry.

Her professional talents in interpersonal and organizational skills, patience, discipline, and practicality are essential during design planning and construction administration. With her supervisory skills and leadership qualities, she coordinates all RCGA efforts with sub-consultants from preliminary programming through design development through to construction and field observation and construction administration.

Ms. Duphrezin-Surena was assigned as Lead Architect on the New American Airlines Terminal 8 and the Sequenced Demolition of Delta Terminal 3 - JFK; both Project Packages of which were successfully completed on time.

As RCGA's Managing Principal, she is at present heading the Design Team on the development of the New Terminal One Project – JFK; where she is coordinating the Demolition of the existing Delta Terminal 2 Building, AirTrain Station 2 and
the Green Parking Garage. She is managing the interior renovation of the existing American Airlines, Terminal 8 and JFKIAT, Terminal 4 at JFK. She is also heading the Design Team on the development of the New York City Football Club (NYCFC) Stadium – Willets Point where she is coordinating the interior Concourse F&B fit out.

Ms. Duphrezin-Surena holds a Bachelor of Science in Architecture from
The City of College of New York School of Architecture and Environmental Studies.
She is a member of US Green Building Council, the Long Island Chapter of the American Institute of Architects and the National Association of Female Executives.

She is a Recipient of the 2015 PWC Women of Achievement, a
Recipient of Real Estate Weekly 2018 Leading Ladies, a
Recipient of the 2021 Airport Voice Women of Achievement, a Recipient of the Queens Power List of 2022 as well as a Recipient of the Caribbean American Chamber of Commerce and Industry, Inc. (CACCI) 2022 Lifetime Achievement Award.

In addition to her professional achievements, Martine and her husband Marc are the proud parents of two adult children, son Khadir and daughter Ketsia.
