Write a statement about why you want to run for a particular position (this will be published in your words):

My passion for our profession continues as there is still much work to do in educating our communities. Recruiting and retaining members is important to help spread awareness of our expertise to consumers. I am dedicated to service, directly linked to my faith, and my awareness of health inequities across the globe, yet also very relevant here in our chapter. I have seen many changes in my career and am able to provide encouragement as we experience ongoing transitions for us as movement experts, including dealing with the world of telehealth, and pervasive uncertainty in health care.

Consent to Serve Statement:

I acknowledge the duties of the above position have been provided to me and I agree to serve in the position should I be slated and then elected. I am willing and able to attend all APTA Indiana Meetings as requested. I agree to be responsive to electronic communications as part of conducting the business of APTA Indiana.
