

It has truly been an honor and privilege to serve as Chairman of the Greater Enid Chamber of Commerce for the 2017-2018 year. I'd like to personally thank the board of directors, the Chamber staff as well as the Chamber members for a tremendously successful year.

Some Enid highlights from the last year are as follows:

- Johnston Seed Company celebrated its 125th Anniversary;
- Atwoods completed a substantial expansion to its distribution center operation;
- ADM Milling's \$32 million plant upgrade is under construction;
- Transportation Partners & Logistics expanded its off-loading facility which houses wind energy components;
- Wind development investment in Garfield County has topped \$1 billion;
- A \$15 million solar farm was built in Garfield County;
- Vance AFB runway project was completed;
- Enid Public Schools is completing school improvements approved in the \$93 million school bond;
- A new terminal is coming to fruition at Woodring Regional Airport;
- New Enid entry signs were installed at the edges of town;
- The downtown hotel, a "Best Western Glo" is currently under construction.

In addition to the foregoing, the Enid Chamber was recognized by the State Chamber of Oklahoma as the **"2017 Chamber of the Year!"** Our Chamber has been widely recognized for its legislative engagement and business advocacy efforts and with a highly motivated board and Chair-elect, it shows no signs of slowing down. Finally, thank you to the outstanding members and community partners of the Greater Enid Chamber of Commerce. We wouldn't be able to continuously enhance our fine city without your support.

Sincerely,

A handwritten signature in black ink, appearing to read "Dalen McVay". The signature is stylized with a large, sweeping "D" and a long horizontal line extending to the right.

Dalen McVay
Chairman of the Board
