

Thank you for trusting me to serve as the 2016-2017 Chairman for the Greater Enid Chamber of Commerce. It has been a privilege to work with the exceptional Chamber staff, board of directors and volunteers. Working with people that truly have a passion for Enid made it a pleasure to serve.

Enid continues to be a vibrant community with an unmatched spirit. The Chamber continued to provide leadership and a passion for growth and relevance in Enid and northwest Oklahoma. Following are just a few of the great things happening in your community.

- \$360 million Kaw Lake water pipeline project was approved by Enid voters! The project will provide a diversified and sustainable water source. Enid continues to invest in important infrastructure and quality of life improvements.
- Koch Fertilizer completes \$1.3 billion plant expansion! It was one of the largest capital expenditures in Oklahoma history.
- Vance AFB completes \$35 million runway. The project signifies a long-term commitment to the base and its continued mission in Enid.
- Hanor relocated their corporate headquarters to Enid! The Hanor Family of Companies employs 6,000 nationwide.
- The opening of Stonebridge Plaza and Land Run Town Center signaled a growth of retail shopping opportunities in Enid.
- The Enid 4 Teachers program was established by creating an opportunity for businesses to support educators in the region by offering teacher discounts.
- Enid business leaders visited the Pentagon and U.S. Capitol on the federal legislative trip to Washington D.C. It was a great opportunity to thank leadership for the investment in our community, as well as a chance discuss Vance AFB, federal regulation, health care, immigration reform and education.
- The Chamber continues to promote highly successful events. Just to name a few, Enlisted Appreciation Night generated over \$24,000 in cash and prizes, Candy Cane Cash \$15,000 in cash prizes and Northwest District Livestock Show attracted over 2,500 visitors and raised \$115,000 for premium sale exhibitors.
