

We are enhancing your Enid Chamber membership & marketing services

BUSINESS OF THE WEEK

Beginning July 1 the Greater Enid Chamber of Commerce will **feature 2 businesses every week via Chamber Facebook posts**. We are planning to highlight one retail business and one other business each week. The template will include:

- Business logo and photos
- Owner and/or manager names
- Businesses description & overview
- Why do you like it?
- What's hot?
- Future plans

It will take us a while to highlight all member businesses, so please be patient.

EMAIL MARKETING

Our Enid Chamber eblasts have long been in heavy demand. They work! Our email marketing program is a great way to get the word out for upcoming events, promotions or other news about your business. We made our eblasts free temporarily during the COVID-19 crisis. We are continuing this service through June and:

Beginning July 1 all Enid Chamber members receive a FREE eblast bundle annually (3 eblasts July – June)

Additional eblasts will be at regular pricing:
\$65 ea. (bundle 3 for \$170) for businesses
\$35 ea. (bundle 3 for \$90) for non-profits
