What is the best piece of advice you have ever received? Make the day, don't let the day make you.

What qualities do you look for in a leader? I look for a leader that builds the potential of others. A leader should always promote personal autonomy through an environment that is supportive and that welcomes change.

If you had to delete all but 3 apps from your smartphone, which ones do you keep?

Phone App (I'd rather call than text), Safari & Calender

Favorite thing about Enid? My favorite thing about Enid is that it is unique. We have an incredible art scene, great food, and wonderful people. Enid has so much to offer!
