

“Time to Place Your Business on the Map”

Dear Chamber Member,

The Greater Enid Chamber of Commerce has partnered with Town Square Publications to produce an excellent marketing publication. The publication will help you market your business directly to area business owners, residents in the region, and visitors.

The **Official 2019 Enid Street Map** is an outstanding advertising tool that is widely distributed. It is a publication that businesses and residents keep on hand for easy reference. Printed maps are one of the most requested items from visitors to the Chamber and from other entities in the community.

In addition, the 2019 Enid Street Map will be replicated online via the Greater Enid Chamber of Commerce website and the National Community Profile Network at Town Square Publications, further extending the exposure of your advertising message and increasing your search engine optimization.

Don't miss the opportunity to promote your business to residents, business owners and visitors!
