Enid Day at the Capitol will be held on Tuesday, February 26th in Room 412-A at the Capitol. Legislators, state agency officials, and staff will attend the breakfast from 8:00 - 9:00 a.m.

Kyle Hockmeyer, Enid Chamber Chairman of the Board, said “Enid Day at the Capitol is a tremendous opportunity for citizens of our great city to meet with our legislators to promote our community. Having a scheduled, formal setting with our legislators gives us a chance to voice our concerns with what is happening at the Capitol and how it impacts our city and region. It’s also an opportunity to learn from our legislators and hear what is most concerning to them as they are getting into the next legislative session.”

Chamber President Jon Blankenship said Enid always has a large local group that participates and the event is well attended by legislators and state agency officials. He said the current Leadership Greater Enid class will be attending the event again this year. “Having the LGE class in attendance definitely adds to the event. We also appreciate the support from our local legislators on Enid Day at the Capitol and throughout the session,” said Blankenship.

“Enid Day at the Capitol is an excellent opportunity for us to engage our legislators in dialogue on topics that are critical to Enid and Northwest Oklahoma” said Krista Roberts, Enid Chamber State Government Chairman. “It’s also an opportunity for us to receive an update from them on their priorities for the legislative session” she said.

Please plan to attend this important Enid and Northwest Oklahoma legislative event!
