

District Meetings

**New
Format**

October 23 – November 1

What are your cattle worth?

This year, SCA is featuring a marketing workshop before supper. This session will feature industry experts who will explain how to convert market information into an expected price for your cattle.

This information can help you make some of the biggest decisions of your year.

Supper is courtesy of the SCA

Stay afterward for informative guest speakers, SCA updates, and policy setting sessions!
