Shooting in the company of heroes….

On Thursday, 1st July 2021 the Lynch Foundation will host its seventh annual summer fundraiser at the private McGraw Wildlife Foundation in Dundee Township, Illinois. A fun, but challenging 10-station circuit of sporting clays, plus available “Long Bird” and “Annie Oakley” competitions.

We believe every participant is a patriot. They are comprised of community leaders, business owners and centers of influence who wish to not only support those who have sworn to defend our country, but do so via an exciting sport with an incomparable backdrop—and in the company of heroes.
