Dear Community Partner,

The Family, Adolescent, & Child Community Engagement Service (FACCES) is excited to share the FACCES Spring Family Gathering with you. This event will take place on Wednesday, April 5, 2023, at 5:00pm.

This is an opportunity for us to come together as a community in celebration of family. Simultaneously, organizations like yours can connect with FACCES families and other community members to provide important resources and information.

In efforts to support our FACCES families and community members, we seek sponsors to help us impact our community. Your contributions will cover activities such as sports activities, STEAM activities, games and resources kits for families to take home. Explore the table shown below to find the best level of sponsorship for your organization.
