

Hello incoming TK families!

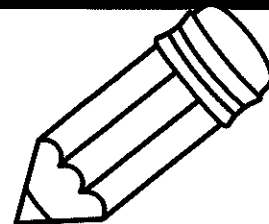

Preparing your child for TK is an exciting time! In order to help your child feel prepared for the upcoming school year, we have created a packet of some key TK skills. By assisting them with these skills, you will be setting them up for success this year. Please note, these are only a few things we will be going over in TK, but they are some of the most important foundational learning objectives. This packet is not meant to be done independently, we encourage you to sit with your child and help guide them along the way. We are looking forward to a wonderful year ahead.

Sincerely,

The TK Team
