BWAG

BECAUSE WE ARE GRATEFUL

"When we serve the poor and the sick, we serve Jesus. We must not fail to help our neighbors, because in them we serve Jesus."
—SAINT ROSE OF LIMA

Thanksgiving Outreach Program

Small Acts, Big Impacts

Our 20th annual Because We Are Grateful (BWAG) Program begins in November! Throughout the month, our Guerin Catholic community will come together to celebrate gratitude, practice generosity, and share in Christ's love in service of others.

MAKING A DIFFERENCE

Throughout the month of November, we are asking everyone in our building to participate in each of the three action items below. This will make a great impact both in and outside of our building.

Action items

1. CHARITY SPIRIT DAY - *NOVEMBER 4*

We are supporting **Third Phase** with our Charity Spirit Day next week. Students and staff are asked to bring either $2 or canned food items in support.

2. GRATITUDE PROMPTS - *NOVEMBER 16 - 20*

Gratitude prompts will be sent out daily to students and staff. We ask that they participate in answering at least 2 prompts throughout the week. Some answers will be chosen and anonymously read over morning announcements.

3. CHARITY DONATIONS - *NOVEMBER 16 - 24*

We will be supporting 5 charities through the donation of goods during the month of November. Each kairos will sign up for one of the five charities, and each student is asked to bring items from their list. ***A list of items needed per charity will be shared in November!***

We will conclude BWAG with **All School Mass on November 24th at 2 PM** and a closing program. During this celebration we will gather the donations collected throughout the month and send them off with our local charity representatives.

Thank you for helping our GC community live out gratitude, generosity, and service through small acts that make a big impact!
