**JESUS IS LORD TO THE GLORY OF THE FATHER**

**IT IS  
FINISHED.**

## IT WAS A GREAT HOMECOMING...

...in more ways than one. People gathered from all over to give tribute to Fr. Bill Halbing & speed him on his way to heaven by a beautiful Mass for his intention. Many "old timers" graced the pews, people who caught the Holy Spirit here just as Fr. Bill did & moved on to other places to be a light with the Holy Spirit shining through them wherever they went. There was excitement at seeing so many old friends & sadness as well as we all cope with the mourning that comes after all the ceremonies & gatherings are over. His departure was so sudden, we are all still trying to process it.

A beautiful tribute that touched the hearts of all was a video that was played after Mass & the silence was tangible as we all beheld the love of the Father that Fr. Bill so richly brought to so many people as His ambassador. May Jen & Eric Apiado provided us with the perfect ending for a Mass for his intention. It was deeply moving.

So many people came down to the beautifully decorated hall & brought food & jumped in to serve it & clean up afterwards. There was a real spirit of holy teamwork. So many of the old timers relished the Spirit-filled worship that we have here & many resolved to come back occasionally to restoke the fire of His love in their own hearts so they could ignite it in the hearts of their families & friends. This is critical at this time for only God knows how much time we have left. The evil one senses the urgency & is throwing his whole arsenal at us which is another indicator that time is short.

## TEACH YOUR CHILDREN WELL.

They are God's greatest blessing you, to raise them up in the way of the Lord. God can never have too many children; each one is a future citizen of His Kingdom & the parents are the first line of defense in this world that is satan's turf to safeguard them & protect them from the onslaughts of the evil one. The first blessing of defense was their Baptism which kicks out satan from their souls & plants in there the Holy Spirit with the graces of faith, hope & love they will need to wage war against the evil that will fight to regain that precious soul. But they need examples & formation; they need to see holy living with God at the center. They need to see their parents praying together & experience them praying over them & blessing them every time they leave the home to go out into the battlefield of the world. Make your home a holy fortress & a family rosary mandatory to reinforce the bulwarks of holiness you want build around each soul in your home.

The CCD program to back you up has restarted in person & all you teach them needs to be reinforced in the heart of the church community so make sure you get them here & stay for adoration yourselves to intercede for them before the God Who created them...& you.

## SO WHAT EXACTLY IS GOING ON IN RUSSIA?

With so much fake news being bandied about, it is hard to know the truth. However Archbishop Carlo Vigano, former papal nuncio to the US under Pope Benedict XVI, came out with a truthful & brilliant account of how all this has transpired to bring us to the brink of WW III. This is a must read. It was published on Lifesitenews.com on Mar. 7 & on you tube. It is entitled "Globalists have fomented war in Ukraine to establish the tyranny of the new world order". That way we can make our prayers much more specific & powerful. This is very real & if not resisted, will overpower us all.

## WE NEED TO BE ON OUR FACES BEFORE THE LORD.

The times are perilous & the battle that is raging between good & evil is unparalleled. Things are coming to a head as the evil one gets more desperate to harvest as many souls as he can. Waste no time. Confront all you meet with the means to defend themselves & come back to God. Cleanse your souls through Confession & convey the need to repent to all you meet. Repentance is the key to the door of His mercy. Sit with Him in adoration & let Him lead you as to what you need to do.

Then get up & do it.

**WE ARE MOVING MUCH TOO FAST!**

...on all fronts. The future is inconceivable what with what the oligarchic leaders have not only planned but are implementing. "Science" they say will give us a better & longer life with the freedom to even choose our identity rather than the one God blessed us with. God? There is no place for God...not the real God of heaven & earth, the Creator of it all. This is like the garden of Eden all over again...they want to be God & alter & control all the beings God called into being. But to do that, they plan to & are altering our humanity...transhumanism they call it. What with experimental vaccines they are determined to get into all normal human beings, they are discovering these jabs can affect our DNA which established our uniqueness as God's children. Do you think God will stand by? We already see the wake-up calls He is giving the world...volcanoes, tornadoes, floods, disease, tyranny, lawlessness, famine, economic upheaval, etc. In His mercy, He is sending these chastisements to wake us up to return to Him as He does not want any soul lost. But that is up to each one of us. We decide whom we will follow & where we will spend eternity. The stakes could not be higher as insipient WWII is claiming more victims as the Chinese virus pandemic did not delete enough lives quickly enough to reduce the world's population. Were they ready to meet their Creator? Are we? Sound implausible or something out of a science fiction horror movie? Look around. Inform yourselves with real news not the fake news which is purely intended propaganda much as the Nazis used in their world takeover genocidal blitz. The count of lost souls in that drawn out horror is incalculable. And the war of abortion rages on to prevent souls from even becoming part of the world population, thus the draconian laws allowing abortion up to birth & even after & the enraged insistence that that law & butchery prevail.

Inform yourselves from reliable Catholic sources such as Lifesitenews.com. They provide many links to many issues impacting us today & of course they have been deplatformed many times from you tube. Go directly to Lifesitenews.com & get rid of the TV which is spewing all kinds of filth into your homes from the shows to the ads. Make your homes holy fortresses setting up bulwarks of family prayer, Bible reading & discussion, family rosaries. Extra-curricular activities will have to be curtailed for who knows if there will be a world around to indulge them in!

**OUR LADY, OUR MOTHER, COULD NOT GIVE US ANY MORE EXPLICIT WARNINGS.**

In our own times, she was very explicit about Russia & the role she was & is to play in salvation history. Appearing to the 3 children in 1917, the very year of the Russian revolution birthing Marxist communism into the world, she made it known Russia needed to be consecrated to her Immaculate Heart by the Pope & all the bishops in unison with him on the same day at a time she would make known. She appeared to Lucia in 1929 to specify this was the time to do the consecration. Whether it was properly done by JP II in 1984, the previous popes never having done it, is debated in many circles. That is an affair for the popes, not us. We are called to pray the rosary, do penance, frequent the sacraments, the channels of grace, & do the first 5 Saturday devotions.

In 1917, after showing the 3 children hell, emphasizing how great the stakes are, she made sure we all know hell exists & there are souls in it, a fact being watered down by some prelates who should & do know better. Our Lady had many things to say about & to Russia. The consecration of her to Our Lady was to end the evil Russia was perpetrating in the world & to empower her to be the country that would lead the world back to God.

There were many messages by Our Lady to Russia itself. She appeared over Holy Trinity Church in Hrushiv in 1914 & said:

***There will be a war. Russia will become a godless country. The Ukraine will suffer terribly for 80 years & will have to live through the world wars, but it will be free afterwards.***

On April 26, 1987, one year after the Chernobyl disaster, she appeared on the cupola of the same church. She appeared first to a 12 year old, Marina Kizyn, who told her mother & neighbors & they all saw her, too. Thousands from all over Russia came to see the apparitions which continued everyday until Aug. 15, 1987. Almost 500,000 people had witnessed it.

**SO WHAT DID SHE SAY?**

***I have come on purpose to thank the Ukrainian people because you have suffered much for the Church of Christ over the past 70 years. I have come to comfort you & to tell you that your suffering will soon come to an end. Ukraine will become an independent state. (which it did in 1991). Do not forget those who died in the Chernobyl disaster. Chernobyl is a reminder & a sign for the whole world.***

***Forgive your enemies. Through you & the blood of martyrs will come the conversion of Russia. Repent & love one another. The times are coming which have been foretold as being those in the end times. See the desolation which surrounds the world...the sin, sloth, the genocide. Pray for Russia. Oppression & wars continue to occupy the minds & hearts of many people. Russia continues to deny my Son. Russia rejects real life & continues to live in darkness. If there is not a return to Christianity, there will be a Third World War, & the whole world will face ruin. Teach the children to pray. Teach them to live in the truth. Say the Rosary. It is the weapon against satan. He fears the Rosary. Recite the Rosary at any gathering of people. This wicked world is feasting on depravity & impurity. Many lies are proclaimed against the Truth. The innocent are condemned. Many come as false messiahs & prophets. Be diligent. Be on guard. All of you are precious to me with no distinction of race or religion. Here in the Ukraine you have received the knowledge of the One, True, Apostolic Church. You have been shown the door to Heaven. You must follow this path even though it may be painful. The Eternal God is calling you. That is why I have been sent to you. You in the Ukraine were the 1st nation to be entrusted me. (in 1037). Throughout your long persecution you have not lost faith, hope or love. I always pray for you wherever you are.***

**MORE VISIONS WITH A ST. ANTONINUS CONNECTION.**

Josyp Terelya, a Ukrainian, spent 20 years in a Soviet gulag camp for his faith & received apparitions from Our Lady & Michael the Archangel. She saved him from freezing to death in a purposely unheated cell. He was eventually freed & moved to Toronto. He visited St. Antoninus one Wed. night at the Prayer Meeting with his wife & he recounted his encounter with Our Lady. There were very few people there that night. But those who were there were greatly inspired & richly blessed. Some present that night purportedly witnessed the statue of Our Lady of Fatima that was on the altar at the time weeping. Josyp has since gone home to the Lord. You can read his incredible story in a book by Michael Brown & Josyp Terelya entitled, Witness. There are many links where you can get a copy on the internet. Type in the title & author.
