### **IS THE LORD IN OUR MIDST OR NOT?**

Such were the remonstrations of the people to Moses when they were scrambling for water in the desert with little success. In their frustration, they cried out to Moses, never even thinking of or addressing the God Who had rescued them from Egypt & provided for them on their long trek in the desert. They had no trust in Him despite the fact that He had delivered them in a manner that was way beyond the capacity of human trust. He worked miracles for them despite their complaining & whining such is His munificence. He allowed them to be pushed to the brink in their need & desperation & frustration & then rescued them in manifold manifestations of His power & His love. It was always in His time & not their time table which too often put them in a mode of angry desperation of doubt & fear of their imminent demise. Everything was out of their control.

Things are much the same today. We all sense something is coming & we all know we are powerless against it. Warning after warning has come from heaven & especially from Our Blessed Mother who keeps trying to spare us from the Father's rightful wrath at the unprecedented evil humanity has descended to.

*As a mother, I am gravely concerned for you, both as individuals & as a nation. After all, what nation can survive who kills her very own children? There are so many ways our Heavenly Father has tried to tell you to turn away from your sins & to place your trust, rather, in Him. He sends natural disasters, irregular weather, signs in the skies & the stars. What more can He do to get this stubborn generation to listen to Him (as He instructed the apostles at the Transfiguration).*

*Soon He will even send each individual's conscience to warn them, the prophesied supernatural event known as the Warning (when He will show each of us our souls as He sees it!) I tell you, some in this generation are so far gone that THEY WILL NOT LISTEN, EVEN THEN. (Message to another alleged contemporary prophet, housewife, & mother named Elaine, in On the Brink America & the Coming Divine Judgment by Fr. Joseph M. Esper))*

### **HOW ARE WE FARING IN THIS 3RD WEEK OF LENT?**

Especially urgent in these days is fasting. And it does not have to be just about food. We can fast from indulging in the things we enjoy. Fasting from social media is crucial to allow us to focus on what the Lord wants from us & have the time to do it & to pray more.

*Fasting is the soul of prayer, mercy is the lifeblood of fasting. They cannot be separated. So if you pray, fast; if you fast, show mercy; if you want your petition to be heard, hear the petition of others. If you do not close your ear to others, you open God's ear to yourself. If you want God to know that you are hungry, know that another is hungry. If you hope for mercy, show mercy. If you look for kindness, show kindness. If you want to receive, give. If you ask for yourself what you deny to others, your asking is a mockery.*

*Let us use fasting to make up what we have lost by despising others. Let us offer our souls in sacrifice by means of fasting. There is nothing more pleasing that we can offer to God for as the psalmist says "A sacrifice to God is a broken spirit; God does not despise a bruised & humbled heart." Offer your soul to God that it may be a pure offering, a holy sacrifice, a living victim, remaining your own & at the same time made over to God.*

*Fasting bears no fruit unless it is watered by mercy. Fasting dries up when mercy dries up. Mercy is to fasting as rain is to the earth. (St. Peter Chrysologus)*

Our Lady in Medjugorje recommends fasting on Wednesdays & Fridays.
