GET READY for the culmination of all we have celebrated throughout the liturgical year with the Solemnity of Christ the King next Sunday. It is as if we are out of time & space on this feast as all we have celebrated is present at this Mass. Then He Who is the King of all will be taken out to the streets & processed through the part of the realm He has placed us in. Come prepared to process.

YOUNG ADULTS: 2nd Thurs. 8PM in person & Zoom

WE ARE ONLY PASSING THROUGH this vale of tears on our road to heaven. This world is not for us because we long to Christ. As a result we have no inheritance in the world. We are promised many sufferings & many things to fear, but we cannot let these fears paralyze us leading us to crippling anxiety & worry which often betray a spirit of despair rather than a genuine faith. Instead we need to seek His face more in the midst of these things. We must lift up our heads & see God's providence still encompassing all of His creation. As Our Lord says, having listed many of the terrible & fearful things that will accompany the end times, *Now when these things begin to take place, look UP & raise your heads because your redemption is drawing near.* (Fr. Anthony Dorsa, FSSP, Memento, All Souls Issue, Nov. 2021)

**WHEN YOU SEE THESE THINGS,
KNOW THAT HE IS NEAR, AT THE
GATES.**

We certainly have been seeing & experiencing a lot of these things these days. The earth itself is spewing forth its inner fires in volcanoes all over the place. God has not abandoned the world; the world for the most part has abandoned Him. The seemingly endless conflict in the spiritual realm between the preternatural beings & the Creator of them & the entire universe rages on, spilling over to the created world where the targets for capture are...our souls. The escalating rampage rages on which is a sign in itself for those who have eyes to see & hearts to discern. God has not abandoned His creatures, He has left them to their own devices & humanity left to itself is inclined to evil. We have seen this scenario before...at the time of Noah...there were only 8 that acknowledged God & to rescue them from the death dealing sin that surrounded them, sexual perversity, He destroyed all of humanity with the exception of the faithful Noah whose faithfulness to God was rewarded with the salvation of his family. Let that be an example to so many of us praying for the salvation of our estranged family & friends. Stay faithful & God in His mercy & love for you could include your family & friends in His salvific work. He did that with Lot, who was not the most faithful follower, but God saved him from the fire & brimstone of Sodom & Gomorrah because Abraham loved Lot & God loved Abraham & He wanted to spare Lot's loved ones out of love for Abraham. Noting is impossible with God. Count on it. Stay faithful!

NNE ENYAMAKA

In 1987 a group of German Catholics sent a life-sized statue of Our Lady to the diocese of Orlu in Nigeria. The diocese decided to build a shrine to Our Lady in Umuaka & they named the shrine *Nne Enyemaka*, Our Lady of Perpetual Help. After 20 years of great growth, a FSSP seminarian visited the shrine in 2001 & reported what he had experienced.

What struck me most about the Nigerian people who came to Mass at our apostolate was their innate sense of reverence & their absolute devotion to Our Lady. Some of them walked for hours to attend the daily Mass & it seemed they just could not get enough of it. Attendance at daily Mass was about 100. And it swelled to a few hundred on Sunday. On one Sunday there were 1000. This little shrine was fairly primitive with a concrete floor where benches were set up & was covered with a tin roof. No walls, thus open to the elements & the wandering goats & poultry. Yet during the Mass the atmosphere was sublime. Awesome silence & reverence was punctuated only by the sound of traffic & the noise of the jungle. The apostolate was raised to official parish status in 2007 & has been continuing to produce holy fruit ever since. In 2017 Fr. Charles Ike, FSSP was ordained to the sacred priesthood, becoming the country's first traditional priestly ordination in over 50 years.
