### **HOW DOES ONE GET TO HEAVEN?**

Many people have different answers to this question that range from "I am a good person so I will get there", "I do good works", "God loves me so I will get there", "I pray a lot", etc. But what does Jesus say about how to get to heaven. It boils down to one word replete with the power to live out that word. **BELIEVE.** Believe that He is Who He says He is. We used to see it displayed at football games & hopefully we will see it again. It's the famous quote of John 3:16: *God so loved the world that He gave His only begotten Son that whoever BELIEVES in Him will not perish but have eternal life.* Here we come face to face for the need of faith. To believe is to have faith in something we cannot yet see as we are accustomed to seeing. This is very tender territory that requires a lot of introspection, honesty & awe in dealing with mystery & our place in it. We have to come to know Who it is we believe in because it is all about Him & His role in our lives & in our world. Getting to know Him is key to coming to believe in Him. There are many different ways to coming to know Him. For some it is through reading & study, for others it is listening to a believer who inspires us to press on. For some He manifests Himself to them through dreams & visions.

Many Moslems are coming to Him through dreams lately. He wants us to get to that belief for as He says in today's second reading: *No one who BELIEVES in Me will be put to shame.*

A good way to firm up our belief is to converse with Him in adoration & be still enough to listen to your doubts. Another way is to make an effort to be with fellow believers who help stir up the desire to believe. Praise & worship in such groups is key for it takes us out of the mundane into the spiritual realm where He reigns. It's somehow easier to sense His Presence with others focused on & worshipping Him. We are more like to "catch" it as Fr. Ferry often said. "It is caught not taught."

In your mind & heart stay out of the world as much as you can. Function in it as needed but keep the focus on the One Who put you here in the first place, tests you & yearns for you to return home to Him.

### **THE BATTLE OF THE BLOOD.**

Our earth is drenched in blood. From the very beginning after the fall, a flood of blood has seeped into the earth..from wars, genocides, murders, abortion, executions, accidents, crashes, etc.

Jesus, too, shed His blood which seeped into the earth for He came to redeem the earth as well as the people living on it. But He doesn't stop there. Everyday 24 hours a day 7 days a week, His blood comes down to the element of wine at the command of a priest & is ingested into the bodies, hearts & souls of men who BELIEVE. This is the antidote to all the human bloodshed, for it is out of the hearts that spring the tendency to evil. He not only provides a remedy to assuage that tendency but in it gives us the medicine of immortality. It is the fruit of the tree of life.

The trek on the narrow road is more difficult these days as we live in days of darkness.

*We live in apocalyptic times. Our Western world has not denied Christianity, it has refused Christianity. We are not Christians, but post Christians. We should sacrifice so that the love of God may spread to all peoples before the day of wrath.*  
(Archbishop Fulton J. Sheen)

The journey is treacherous with mine fields of doubt, distraction, persecution abounding but the possibility of becoming a saint couldn't be greater. So many saints yearned to live in these times for the greater the obstacles, the greater level of sainthood. But they are cheering us on for such victory in the face of such odds gives greater glory to the Father & all of heaven rejoices in giving Him greater glory.

Pray, fast, adore, dream big & pray hard.
