TODAY, AUG. 21ST marks the date of the apparition of Our Lady to Knock, Ireland in 1879. She spoke not a word but just stood in solidarity, with the people of Ireland suffering from the famine that killed so many & drove many to our shore. She appeared with St. Joseph & St. John & her Son appeared as the Lamb upon the altar.

ON THE WAY TO JERUSALEM

In the first reading, Isaiah foretells the glorious gathering of all nations in Jerusalem, the holy city. And how that will be possible is Jesus in the Gospel, making His way to Jerusalem to pay the price that will open once again the doors of the heavenly Jerusalem. A lot of history, prophecy & fulfillment marked the passage over the centuries to that fullness of time when Jesus humbled Himself & became man in order to experience death, the result of sin, to free man from an eternal death, eternal separation from Him. The loving heart of the Father could not tolerate that so He sent His Son to fulfill the demands of justice by taking all the sin of the world upon Him & endowing man with grace to once again become children of God.

And grace is a great gift but it needs our cooperation with it to be able to follow the Way the Son exemplified for us. As He died, so must we to ourselves & give ourselves in total submission to Him. We must work in the world but not be of it. It is very easy in today's culture to be totally absorbed by the cares, pleasures & fascination with this world. We are bombarded with it on every front with its temptations pouring into our ears through ear buds capturing our minds & attention & luring us into worldly pleasures we should be renouncing. How much satanic propaganda are we ingesting? Who are our idols in this world? Whom do we run after, neglecting the needy as we race to some kind of personal gratification at being recognized by the idols we run after? Slow down. Be aware of the people surrounding you not the noise we are drowning in. Silence is the language of God. Seek it, immerse yourself in it & hear what the Father has to say to you.

ONE OF THE GREAT DOMINICAN SAINTS THAT GRACES OUR STAINED GLASS WINDOWS IS ST. ROSE OF LIMA.

She caught the dynamic of grace & how it works & lived it & shares it with us. She listened to what the Lord had to say.

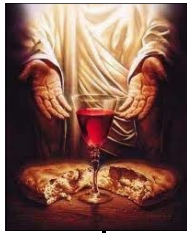

Our Lord & Savior lifted up His voice & said with incomparable majesty: 'Let all men know that grace comes after tribulation. Let them know that without the burden of afflictions, it is impossible to reach the height of grace. Let them know that the gifts of grace increase as the struggles increase. Let men take care not to stray & be deceived. This is the only true stairway to paradise, & without the cross, they can find no road to climb to heaven.'

When I heard these words, a strong force came upon me & seemed to place me in the middle of a street so that I may say in a loud voice: "Hear O people; hear O nations. I am warning you about the commandment of Christ by using words that came from His own lips: "We cannot obtain grace unless we suffer afflictions." We must heap trouble upon trouble to attain a deep participation in the divine nature, the glory of the sons of God & perfect happiness of soul. If only mortals would learn how great it is to possess divine grace, they would seek trouble & torments instead of good fortune in order to obtain the unfathomable treasure of grace. (St. Rose of Lima)

What grace-filled times we live in for the whole world & all in it are afflicted. Let us see that & rejoice in the fact that we are swimming in a sea of grace because of all we are enduring & we know that without sanctifying grace, we cannot enter His Kingdom. So let us see clearly, embrace the Cross & press on.

Her Feast Day is Aug. 23rd.
