IT IS FALLING APART You have rejected us God & defeated us; You have been angry with us—but now turn back to us. You have made the land tremble & You have cut it open. Now heal its wounds, because it is falling apart. You have made Your people suffer greatly; we stagger around as though we were drunk. You have warned those who have reverence for you so that they might escape destruction. Save us by Your might; answer our prayer, so that that the people You love may be rescued. Who O God will take me into the fortified city? Who will lead me to Edom? Have you really rejected us? Aren't You going to march out with our armies? Help us against our enemies, human help is worthless. With God on our side we will win; He will defeat our enemies. (Ps 60: 1-5, 9-12)

Even all creation groans & is at present condemned to frustration, & yearns to be freed from its bondage to corruption, it lives in hope which is in Christ that it will share in the glorious freedom of the sons of God so there will be one freedom shared by creation & by the sons of God. (St. Ambrose)

YOUNG ADULTS: 2nd Thurs. 8PM in person & Zoom

RESIST EVIL : We need to cooperate with grace & come against the evil that is assailing us in a Christ like manner, respecting the other as also being a child of God & their very personhood is worthy of respect & their very existence as does ours gives glory to the Father. Thank You, Lord for the many who are in are rising up to do that with prayer & integrity of heart.

REBELLION AGAINST EVIL IS OBEDIENCE TO GOD. *Resist the devil.* (Jas 4:7)

CURSED IS THE ONE WHO TRUSTS IN HUMAN BEINGS.

Human beings by nature are fickle. We lost that permanent, guileless innocence in the garden. For the ultimate reality of our being, we must put our trust in the only One Who is truly trustworthy. In this calamitous age, all sorts of people seeking power are egging us on to trust them. How often we have been & are being deceived. Contrary directives, fudging of facts, suppression of any views that contradict the party narrative rule the day.

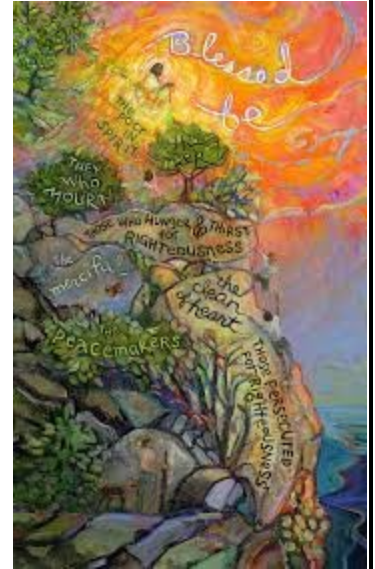

The dynamics in Jesus' time were probably much the same which is why He came. Only this time, the scale is so much larger as to encompass the whole world. We were warned at Fatima that this was coming & Our Lady, knowing the battle is the Lord's gave us our marching orders. Repentance, Confession, Mass, Fasting, Rosary, First Saturday devotion. This doesn't sound too exciting as our human response is to want to fight back but we cannot as this is a spiritual battle & we are the targets & it is God's battle, the ultimate battle of good vs evil. We know Who wins; we need to do all we can through prayer, fasting, praise & worship to limit the number of casualties. We need to stop listening to the conflicting rhetoric & fix our eyes on Jesus.

WAIT FOR IT!

Seek it with your heart & wait for it. Prepare yourself interiorly for it. Be open & receive His love. *The measure of a man's love for God depends upon how deeply aware he is of God's love for him. Once the love of God has released him from self-love, the flame of divine love never ceases to burn in his heart. (Diadochus of Photice)*

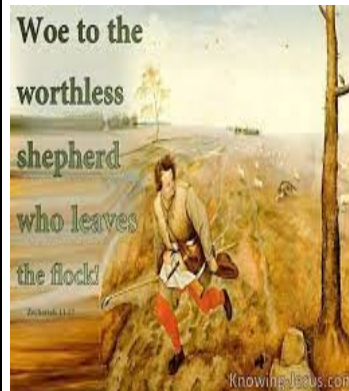

BLESSED.....

Amidst the turmoil & turbulence of His time, the Lord of the Universe enters the scene & proclaims blessings on all who were caught in the web of the diabolical unrest & power grabs of that time. Jesus makes clear the delineation between His Kingdom & that of the adversary. Such blessings which are opposite the world's idea of blessing catapult the listeners into the possibility of a greater realm of ultimate reality. Hope is born. In the midst of the suffering, there is light at the end of the tunnel, a tunnel that leads to Light Himself. The challenge rings forth: Rejoice in all this suffering. Leap for joy even though you feel like you want to run away & hide. Persist in this obstacle course fraught with danger & traps because the suffering is the path to His Kingdom!

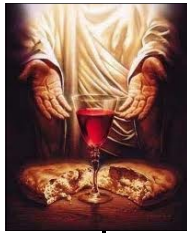

WOE...

The conflict of the kingdoms rages on. Blessed are those focused on the Kingdom to come & woe to those living as if this passing kingdom the domain of satan, is all there is. Our hearts yearn for MORE & the One Who blesses is pointing the way to the MORE. Humility is the way of the blessed while arrogance & self serving at the expense of others is the way of the woeful. If we are to arrive at our heavenly destination,

we must be faithful shepherds, of our souls, of our families, of our loved ones. Woe to the faithless shepherds who leave the battle. We need to follow the Good Shepherd & bring as many of the sheep as we can...their eternal destination & ours depends on it.
