### **WHAT KIND OF SHEEP ARE THESE?**

Everyone knows that sheep are not too bright, but you need to want to be one just to be under the care & love of the Shepherd. Even trained sheep in the fields know the sounds of the whistles of their shepherd, up come their heads, ears get perked up & eyes search for the one who whistled & they move en masse to where the shepherd is beckoning them. Yes, there are always a few rebels who, finding a tasty morsel of fresh grass, hang back & miss the departing herd & don't make it into the safety of the gated corral. They fall prey to the wolves waiting for just such an opportunity.

As sheep of the Divine Shepherd, we have seen Him, we have heard Him & we have decided to follow Him. Good choice...the right choice for no other shepherd can compare to this One in terms of care & benefits.

*Those who enter the sheepfold through Him will be saved! They will enter into a life of faith; from faith, they will go out to vision; from belief to contemplation & they will graze on the green pastures of eternity. These pastures are the spiritual joys of heaven. There they will look upon the face of God with unclouded vision & feast at the banquet of life forever more. (St. Gregory the Great)*

So be smart sheep! Don't be lured by the tasty tempting, all consuming desire for the things of the flesh that not only distract us but put us in mortal danger of losing site of the herd of faithful followers who have passed beyond the earthly pastures to the eternal ones.

So what are you waiting for?

*Let us set out for these pastures where we shall keep joyful festival with so many of our fellow citizens. May the thought of their happiness urge us on! Let us stir up our hearts, rekindle our faith & long eagerly for what heaven has in store for us. To love thus is to be already on our way. No matter what obstacles we encounter, we must not allow them to turn us aside from the JOY of that heavenly feast. Anyone who is determined to reach his destination is not deterred by the roughness of the road that leads us to it. (It is rocky & steep!) Nor must we allow the charm of success to seduce us or we will be like the foolish traveler, who stuck in the meadow of delights, forgets where he is going. (St. Gregory the Great)*

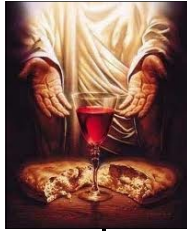

### **THANKS TO MOTHERS...**

....our life bearers, we have the chance & the privilege of entering the fray of this life & be tested & be surrounded by the one virtue that will see us through the test & enable us to be victorious if we so choose & act on it. In God's plan of holy Matrimony, we were born out of love, we are born for love & love will be the weapon in the battle of life that will see us home to LOVE. And that is totally countercultural to the world we live in, which is after all, the domain of satan. So we were born for battle as our Creator tests every creature He creates. Human will robbed humanity of its privileged place in paradise & human will will have to die to itself to not only regain that place but that total surrender if our will will raise us up into an even higher place in the Kingdom of our Creator, the heart of the Trinity in the rarified atmosphere & reality of Divinity from whence we came. We have a Helper to get us there. Receive Him.

*Through the Holy Spirit we are restored to paradise, we ascend to the Kingdom of Heaven & we are reinstated as adopted sons. Thanks to the Spirit we obtain the right to call God our Father; we become sharers in the grace of Christ & we share in everlasting glory. Every blessing is showered upon us, both in this world & in the world to come. As we contemplate them, it is as though we already possessed the good things our faith tells us that we shall one day enjoy. If this is the pledge, what will the perfection be? If these are the first fruits, what will the full harvest be? (St. Basil)*

This is the ultimate goal our mothers birthed us into. Let us honor them for the gift of life here on earth for it is only passing through this life that anyone gets to enjoy eternal life.
