TAKE NOTE OF THE FRUITLESS WORKS OF DARKNESS....

...but rather expose them. (Eph 5:11)

That is exactly what is happening. Our Lady is cleansing the Church. It is spiritual spring cleaning time. Before we can start cleaning, we have to recognize where the dirt is so we can then root it out & cleanse the place. This is not something we can put off, neither in our Church nor in our world which is drowning in sin & depravity. The warnings have been numerous & just as numerous has been the unheeding of them but time is running out in this age. Life as it is cannot go on as it is death dealing. And it is not something God doles out; it is a consequence of what we have done & are doing to ourselves through our sins.

In a final message from Our Lady of America to Sr. Mary Ephrem in 1984 asserts:

What happens to the world depends upon those who are living in it. There must be much more good than evil prevailing in order to prevent the holocaust (destruction or slaughter on a mass scale, especially by fire or nuclear war) that is so near approaching. Yet I tell you, my daughter, that even if such a destruction happen because there were not enough souls who took my warnings seriously, there will remain a remnant untouched by the chaos, who, having been faithful in following Me & spreading My warnings, will gradually inhabit the earth again with their dedicated & holy lives. These souls will renew the earth in the power & light of the Holy Spirit, & these faithful children of mine will be under My protection, & that of the Holy Angels, & they will PARTAKE OF THE LIFE OF THE DIVINE TRINITY in a most remarkable way. Let my dear children know this, precious daughter, so that they will have no excuse if they fail to heed My warnings.

We are living out this prophesy now. Syria & Gaza are examples of mass slaughter as humanity becomes inured to the barbarity of it all. We are living in a sick world where anything goes so nothing surprises us or shocks us. Do we dare not heed our Mother's messages & warnings as we enter more deeply into the tribulation that is coming upon us? Nothing else matters at this point but the salvation of our souls which is supposed to be the major raison d'être of the Church.

SO WHAT ARE WE SUPPOSED TO REJOICE ABOUT ON THIS LAETARE SUNDAY?

Pope Leo the Great succinctly states it.

All who have been reborn have the way open before them to return to their native land from which they had been exiled. That is all of us. So we celebrate that we have been reborn through our Baptism & we rejoice with our brothers & sister who will plunge into the power of Baptism to make them sons & a daughter of the Father once again. And we can rejoice & be grateful for our own Baptisms & we can thank our parents or whoever availed us of this tremendous grace. We can thank the priest who baptized us; we can thank the Church for passing on & executing the sacraments Our Savior instituted for us for our salvation.

The sacred blood of Christ has quenched the flaming sword that barred access to the tree of life. The age old night of sin has given place to the true light. (Pope Leo the Great)

So yes, there is great cause for rejoicing here. We have the chance to finally go home from whence we came. We must do our utmost to be in the remnant. We must PRAY for the prayer of the just turns aside the whole anger of God, keeps vigil for its enemies & pleads for its persecutors. Prayer is the ONE THING that can conquer God.

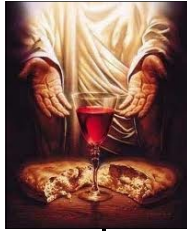

(Tertullian, priest)

We can rejoice in the fact that He left no member of the human race, the UNBELIEVER excepted, without a share in His mercy. Who does not share a common nature with Christ if he has welcomed Christ, Who took our nature & is reborn in the Spirit through Whom Christ was conceived?

(St. Leo)

So let us rejoice for ourselves that we have been reborn & now have access to our celestial homeland & let us rejoice with Sedric, David & Jordely who are about to become part of the family of God.

REJOICE!
