### **THE LABORERS ARE FEW!**

This is no time to run out of laborers. Everything seems to be coming to a head & the harvest risks being lost due to lack of laborers. So who are the laborers who need to rush into the field to save at least some of the harvest? And to complicate the matter for the poor harvesters is that they will have to glean the harvest nestled in with weeds. So they have to separate out from among the weeds the harvest that is starting to wither from lack of water & care. And to make matters worse they will be harvesting in the midst of wolves in sheep's clothing. So where are we going to find these herculean harvesters? They are sitting in the pews & at our prayer meetings & tent revivals & conferences & are on endless zoom meetings. We have had ample time to listen & learn...it is time to get out & act. First priority is harvesting alive & well the babies who are being harvested by the enemy to consign more of the souls God has called into being to death & to profit from this horrid sale of their vital parts for profit.

It is time to harvest souls from lukewarm liturgies that are devoid of power & soaked in secularism & relativism.

It is time to harvest our children from public education that is putting them on the wide road to perdition.

It is time to harvest our elderly who are being euthanized as inconveniences to today's hedonistic world. It is time to bring them in & cherish them, appreciate them & learn from them.

It is time to get up & get out & touch every soul you can reach with the Truth & the Love on the One Who created them. Don't have the strength? Yes you do, you got it at Confirmation.

### **WHAT IS THIS PEACE HE IS TALKING ABOUT?**

It is not merely lack of conflict; it is the firm foundation of imperturbability, serenity & even joy in the middle of the mess. It is faith grown into trust grown into confidence that the Peace Giver, God Himself, will see us through if we but remain faithful & live out our belief. This kind of peace is the power of His Love that indwells us & empowers us if we but surrender & give Him full control. This peace is the fruit of our death...our dying to ourselves.

*Peace rescues man from servitude, provides him with the name of a free man, changes his identity before God together with his condition, from a servant to a son, from a slave to a free man. Peace among brethren is the will of God, the joy of Christ, the completion of holiness, the rule of justice, the teacher of truth, the guardian of morals & a praiseworthy discipline in every regard. Peace lends strength to our prayers; it is the way our petitions can reach God easily & be credited; it is the plenitude which fulfills our desires. Peace is the mother of love, the bond of concord & the manifest sign of a pure soul, one which seeks to please God.*

*Peace must be preserved according to the Lord's precepts, as Christ said: "I leave you My peace, My peace I give you." I left you in peace, in peace shall I find you. As Christ left the world, He wished to leave the gift He wanted to find when He returned. His one word is "I shall find what I left."*

*God's is the planting of peace in the root, but the uprooting is from the enemy who sows hatred. We must condemn our hatred of men for it is written; "He who hates his brother is a murderer." Now you see why we should love peace & cultivate harmony, because they beget & nurture love. (St. Peter Chrysologus)*

When He returns will He find the peace He gave us? Seek the help of the Queen of Peace who never lost it despite the horrors of the crucifixion of her Son...God. She is the Dispenser of all the graces of her Son.
