YOUNG ADULTS: 2nd Thurs. 8PM in person & Zoom

THE GREATEST ARMS WE HAVE IN THIS BATTLE FOR THE SALVATION OF OUR SOULS are the Mass, Eucharist Adoration, Confession & the Rosary. The Adoration Chapel is open Tues. through Sat. from 9AM-8PM. During this Respect Life Month & the culmination of many Rosary rallies around the world on Oct. 7, Feast of the Holy Rosary, come into His Presence & hand it all over to Him in solidarity of mind & heart. The Nation wide rosary rally will be Sat. Oct. 16 at noon local time.

WHAT GOD HAS JOINED TOGETHER

...no human being must separate. How grievously the secular world is violating this precept with the dire consequences we see all around us; infidelity, adultery, abandonment & of course, the biggest victims are the children who have a God given right to live in household with their biological mother & father. That was His plan from the beginning. Extended family or holy adoptive parents fill in when the original nuclear family no longer functions for whatever reason. Thank You, Lord, for the many adoptive parents who are seeing to the proper upbringing of Your children.

Recently Michael & Rebecca Agbedo celebrated the 50th anniversary of their marriage & quite a celebration it rightly was. They founded their personal lives & their marriage on the power of their relationship with Our Lord & the fruits were copious. What a great example their children & grandchildren were given! They saw what was the first priority in their lives & hopefully will have the same courage & perseverance Michael & Rebecca display.

We thank You, Lord, for the many marriages founded on Your Truth & which have benefitted so richly from the many graces of this sacrament even if the partners were not aware of it at times. They are a testimony to the wisdom of Your plan. Would that we learn to be faithful to it no matter what life or the evil one throws at us. Enhance the prayer power in all families. Nudge them to pray together as a family especially in these times of such intense spiritual warfare. And thank you Michael & Rebecca for setting such a good example for us all....JESUS first.

DEVELOPMENT...YES; ALTERATION...NO.

There must be development of the faith, not alteration of the faith. Development means that each thing expands to be itself, while alternation means that a thing is changed from one thing to another. Understanding, wisdom & knowledge should progress over the centuries but only along the Church's own line of development, that is, with the same doctrine, the same meaning & the same import. This doctrine should become firmer over the years, more ample in the course of time & more exalted as it advances in age.

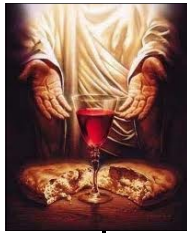

It would be very wrong & unfitting if we, their descendants, were to reap, not the genuine wheat of the truth but the intrusive growth of error. What is right & fitting is this: there should be no inconsistency between first & last, we should reap true doctrine from the growth of true teaching, so that, when in the course of time, those first sowings yield an increase, it may flourish & be tended in our day also. (St. Vincent of Lerins)

How critical in these days of apostasy, especially with regards to marriage, that all serious believers find a place where orthodoxy

reigns & truth is not sacrificed on the altar of secular humanism. Such a church is not only worth coming to but needs to be supported financially & socially by gathering others in to hear & live the truth together. We have had many & we need more

examples of the faithfulness of couples like Michael & Rebecca to witness to the younger generation the true path of holiness versus the world's preoccupation with convenience. Use the gifts you received at the last Healing Conference & use that as a springboard to bring in more souls so they, too, may come to know & live the truth in a body of believers.
