

SAFETY REGULATIONS WHEN IN THE CHURCH

- Everyone is required to wear a face mask covering their nose & mouth at all times when in the church. No one will be permitted to enter church without one on.

- If you are able, please bring your own sanitizer and sanitizing wipes. We have a limited supply for use in the church for those who do not have any.

- Using a disinfecting wipe, each pew or seat should be wiped off after each use.

- Everyone is asked to practice social distancing while in the church or lower church hall.

- In the church every other pew will be roped off. In the lower church hall, the chairs will be separated for social distancing.

- We ask anyone who is sick or has been exposed to the coronavirus in an unprotected manner, to refrain from coming to church until after 14 days of no symptoms.

- Those with pre-existing health conditions or are advanced in years are advised to proceed with greater caution and may choose to stay home and watch the Mass online.

At this time, for the sake of social distancing, all events on the premises will either be in the church, parish hall or outdoors.
