COMING UP THIS WEEK: The official last day of Christmas: Feb. 2, Presentation of Jesus in the Temple. This completes the traditional 40 days of Christmas. It is a day we honor those who have entered into consecrated life & pray in support of them, especially in these trying days when so many are being persecuted for simply being faithful. We pray for those who have strayed from the true path to return to the Truth Who is Jesus Himself that they may guide as many souls as possible to the narrow path to heaven.

Thursday is the Feast of St. Blaise, the traditional day when throats are blessed but you need to be here in person to benefit from that blessing. This is an especially propitious time to receive that blessing, heavenly preventatives for what ails us. Receive it with faith in His provision.

I HAVE MADE YOU A FORTIFIED CITY, A PILLAR OF IRON, A WALL OF BRASS AGAINST THE WHOLE LAND....

...against kings & princes, against its priests & people. (Jer. 1:17-19) And so He has made us to fight against the greatest tyranny & apostasy to affect the world & the Church to date. We need to know, follow & obey our true Commander in Chief, the King of heaven & earth. The earth is a battlefield where the wages of the wars that prevail here are for the souls of men. Satan is real & his hatred knows no bounds & it is only when the full force of his hatred is manifested will the King step in & crush the father of lies. The evil is & will run rampant until it has no more arms in its arsenal. The earth is his turf & he will defend it at all costs. But the Creator of the earth & even of satan has other plans & that is what we need to focus on & put our hope in. We need to think supernaturally for that is where the real eternal reality is.

In the meantime, we need to know what the enemy is up to so we can launch a targeted response. We need to know where to put our hope which is not in this world which is only a testing ground for the ultimate kingdom of either Light or darkness...we choose. The battle lines are no longer blurry. There is no place for fence riders. We are either for Him or against Him. He made His marching orders clear in His Word which this pandemic is making more & more people turn to. Steep yourself in it & the power & might & justice & mercy of Who He is, is awakening an army of faithful warriors.

THEY WILL FIGHT AGAINST YOU BUT NOT PREVAIL OVER YOU...

...for I am with you to deliver you. (Jer. 1:19)

Those gathered in the synagogue on that fateful day of Jesus' revealing Himself as to Who He really is were enchanted with the beauty & the hope of His words. They were enamored of the fact that this highly gifted Person was one of them & they vicariously shared in the glory of that...until the lines of demarcation between them, the creatures & He the Creator were more obviously drawn. He immediately put them on the path of right relationship, humble subservience & obedience to the Creator of all, much the way Naaman, after some initial hard-headedness, submitted & was healed. This took the encounter out of the realm of regional politics & put it in the supernatural realm where it belonged for the supernatural had just announced His Presence in person.

And then the rage against this seeming put down of the pride of their race & their idea of social hierarchy burst forth in hatred & propelled them to attack the One Who dared question their social order. Sound familiar? Anyone questioning today's social narrative is spurned, castigated & thrown over the hill of social acceptance into the pit of destruction & death. Questioning the status quo was not to be tolerated...then & once again...now.

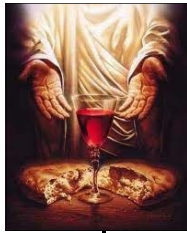

But the King of Kings was not phased. He knew what He was up against & He knew the perfect timing of His redemptive sacrifice for the people who would come to know, acknowledge His identity & reverently follow Him as their

only hope out of the morass the evil one had made of this world.

This was not the hill nor the

time for that sacrificial immolation.
