

# An Invitation

From St. Vincent de Paul Society at St. Leonard Church

There are numerous individuals/families in the Muskego Community that are hoping to find a helping hand to avoid the grasps of poverty. How can they become aware that St. Vincent de Paul might be able to provide some assistance?

## COULD YOU POSSIBLY BE THAT MESSENGER?

**We need your assistance in making contact with those individuals/families in the Muskego community who are in need of help.**

The St. Vincent de Paul Society has earned an excellent track record by using a one-on-one approach to serve them, when they are identified. Home visits are made to those who are in need.

## THINK ABOUT IT!

- *Is there someone you know having difficulty making ends meet?*
- *Has someone lost a job?*
- *Is there someone falling behind in rent?*
- *Does someone you know need help budgeting their income?*
- *Is someone faced with expensive car repairs?*
- *Do you know someone who can't keep up with their WE energies bill or possibly facing utilities shut off?*
- *Does someone feel hopeless and need someone to talk to?*

## WHAT WE ASK OF YOU...

... to share this invitation and our contact information with anyone you think we may be able to serve, regardless of race, religion, age or gender. Let them do the rest!

**THEY SHOULD CALL:**

**ST. LEONARD CATHOLIC CHURCH AT 262-679-1773**
