

Churchill Booster Club is pleased to highlight The Scoop, one of our new sponsors for the 2022-2023 school year. The Scoop is a new ice cream shop in Cabin John Village that opened in August 2022, just in time for the new school year.

Opening this store, an AAPI-owned business, has been an amazing experience for the store owners as they have been a part of the Potomac community for over 20 years. "Running into an old teacher or classmate at our shop has been one of our favorite parts of our last two months of operating the store," said Timothy Ryoo, one of the owners of The Scoop. Ryoo has a personal connection to WCHS as both he and his two siblings graduated from WCHS. "Our family strongly believes that our years at Churchill were a crucial part in our growth and the shaping of our characters," said Ryoo.

The Scoop has a wide selection of ice cream flavors available along with milkshakes and pints of these classic flavors. "We also offer a tasty fall and winter seasonal menu and are working towards an expanded menu that will include hot chocolate, floats, affogato, and more," said Ryoo. "We feel so honored to be able to add a little sweetness to this very special town".

You can follow The Scoop on social media @thescoopicecreams to keep up with the exciting new changes coming to The Scoop soon.
