

It has been an honor to sponsor the young athletes at Winston Churchill. We have always tried to take an active role in the youth of Montgomery County from sponsorships to mentoring and internships. House to Home Solutions is an award-winning design/build/remodel firm for discerning homeowners in Maryland and Northern Virginia, who want a partner they can trust to transform their dreams into a beautiful, inspiring home. House to Home Solutions specializes in luxury home renovations, taking a proven, end-to-end partnership approach to designing and delivering unique additions, whole-house renovations, kitchens, bathrooms and other living spaces that reflect each client's personality and lifestyle. Unlike traditional home remodeling companies that don't provide design assistance or rush customers through important design decisions, the House to Home Solutions team focuses on deeply understanding our customers' vision and translating that vision into highly functional and aesthetically pleasing outcomes. Each part of our proven, streamlined VisionBuilder™ process is designed to provide a concierge level of service that delivers an overwhelmingly positive customer experience from conception through completion. We hope we can do the same for the Winston Churchill Community. Go DAWGS!
