This month, the Churchill Booster Club is pleased to highlight Gregorio's Trattoria, a family-owned Italian restaurant that has been part of the Potomac community for over ten years.

Since the 2013 launch of its flagship restaurant in Cabin John Village, Gregorio's has become a favorite destination for family dinners, celebrations, team dinners, or just grabbing a pizza to go. Gregorio's tie to Churchill doesn't end with the restaurant's nearby location though. The owner, Greg Kahn (class of '94) and his sister, both attended Churchill as students themselves and have stayed connected by sponsoring Churchill athletics and community events.

Beyond Churchill, Gregorio's prioritizes giving back to the community by fundraising for various causes. Their Greg's Food 4 Cause program invites people in the community to host gatherings at a Gregorio's restaurant with 10% of the sales going to local non-profit organizations, schools, churches, or even sports teams. Between their delicious food and generous support of our school and community, Gregorio's is truly a neighborhood gem!

For more information on Gregorio's Trattoria, you can follow them on Instagram and Facebook or visit their website at [www.gregoriostrattoria.com](http://www.gregoriostrattoria.com)! We thank them for their support!
